**HAPPY VALENTINE'S DAY**

My dear Parishioners,

We are about to enter the Lenten season, to start the time to grow in our following in the footsteps of Our Lord Jesus Christ.

During Lent we are called to experience suffering not as a punishment, but as a chance to grow, a chance to encounter our Father.

The fact that we are human beings reminds us of our weaknesses, not only the spiritual ones, often forgotten like leaves blown by the wind, but our corporal weaknesses, our health, sicknesses and problems that can happen to anyone of us. We are fragile human beings.

Before Jesus came suffering was seen as a punishment, something that God sent to those who were bad. But Our Lord gives us a new meaning for it. He reminds us that in our weakness we are subject to many difficulties, that both the good and the bad suffer, and that God is good to both saints and sinners.

May this Lent, forty days of reflecting on the Passion of the Lord, help us to grow in his love, and remind us that we have brothers and sisters who suffer also, and that we can help them in their trials and tribulations.

In this weekend's Gospel Jesus tells Peter to put out into deep water and lower his nets. This is the experience that we should make during Lent, to walk in the deep

water of the Holy Spirit, and let him lead us. It is a time to get rid of all that it is not important, a time to hear Christ calling us as adults in faith. It is a time to reflect upon our life, our work, and our relationships.

During this Lenten journey, let's abandon all the weighs us down, and let the gentle wind of the Holy Spirit nourish us.

May you have a good Lenten season.  
God bless you

CALENDÁRIO SEMANAL DA COMUNIDADE  
**PORTUGUESA E BRASILEIRA**

Queridos Paroquianos,

Já vamos iniciar nossa quaresma, vamos iniciar nosso tempo de crescimento nos passos do Senhor Jesus.

Na quaresma somos chamados a experimentarmos o sofrimento não como um castigo, mas como possibilidade de crescimento, de encontro com o Pai.

A verdade de sermos humanos nos lembra nossa fragilidade, não só espiritual, muitas vezes levados como folhas ao vento, mas também corporal, nossa saúde, nossas doenças ou problemas que podem acontecer com qualquer um de nós. Somos frágeis.

O sofrimento antes de Jesus era visto como um castigo, uma praga de Deus com aqueles que foram maus. Mas o Senhor dá um novo sentido para ele; Nos lembra que em nossa fraqueza estamos sujeitos às dificuldades da vida, que bons e maus sofrem, e que Deus é bom também para os santos e pecadores.

Que esta quaresma, quarenta dias de reflexão sobre a Paixão do Senhor, nos ajude a crescermos no seu amor, nos lembre que temos irmãos e irmãs que sofrem também, e que podemos aliviar-los nos seus dilemas.

No Evangelho deste final de semana Jesus manda Pedro avançar para águas mais profundas, e é esta experiência que devemos fazer na quaresma, avançarmos, mergulharmos nas águas do Espírito Santo e deixá-lo nos conduzir. É hora de abandonar a superficialidade, é momento de experimentarmos

o chamado do Senhor como adultos que somos na fé. Avançar nas reflexões sobre nossa vida, nosso trabalho, nossos relacionamentos... Na caminhada deste deserto quaresmal, abandonemos os pesos que carregamos e deixemos o sopro do Espírito nos alimentar.

Tenha uma boa quaresma!

Deus te abençoe,

*Father Celso Junior, CSsR.*
